Installation of 68th IMA TNSB State President Dr. R. PALANISWAMY on 11.12.2021 @ 76th IMA State Annual Conference at Coimbatore

Respected Seniors, My Dear Colleagues and Friends,

I wish to recall the immortal saying If you want to gain Esteem in your life, you have to be associated with people, who are esteemable. At the outset, let me offer my profound Greetings and my regards to each and every one of you, for honouring me with this prestigious position of IMA State President.

I am fortunate to be your 68th State President of Tamil Nadu IMA. I have to thank my home branch IMA Coimbatore for giving me this golden opportunity to lead the state IMA. My sincere thanks to all the Past Presidents and nearly forty thousand members of IMA Tamil Nadu family, the second largest state in membership in our country. I never forget the encouragement and the help extended by my friends in Lions clubs and other organisations to obtain this great honour.

I firmly believe for any leader to head an organisation family support is very much important, in that way I am fortunate to have the full co-operation and support from my family members.

MEMBERSHIP GROWTH

For any organisation membership strength is most important. Our priority must be to identify doctors of modern medicine not yet joined in IMA in our places and encourage them to take up the membership. I have decided to visit medium and small branches with their prior appointment and to support the PST Team for membership growth and all other activities. Equally important is to increase the strength of members in PPLSSS/FSS schemes and NHB, IMA CGP & AMS wings. Awareness about Junior Doctor Network (JDN) in all medical college will be the priority to attract fresh MBBS graduates.

SAFETY OF DOCTORS AND PROFESSION

Dignity & Safety of Doctors and profession will be first priority and whenever and where ever needed will be taken up for discussion with Government and Public. Crisis management committee of State will instruct and advise all Branches to form the crisis committee for ensuring the safety of Doctors in their practice.

INSURANCE SCHEMES

Central Ayushman Bharat, State CMCHIS and Private Insurance companies will be requested to enhance the amount paid for the treatment of all categories. We will ensure our fullest co-operation to the Government in providing good health care to the public. IMA will be always in the fore front in helping Government during natural calamities as well as in pandemic and epidemic situations. Our members have proved this in the COVID - 19 pandemic and in the recent cyclone and floods in our State.

CEA AND OTHER REGISTRATIONS

Thanks to Government for simplifying many clauses in CEA. Still Doctors have to get more clearances from Government to establish Clinic or Hospital. IMA & NHB wing will work together for getting single window Registration which is a long-time dream of us.

SCHEMES AND WINGS

All the schemes FSS, PPLSSS, FBS, HPS, and wings NHB, IMA CGP, AMS, Paramedical are functioning well. For effective administration and further to strengthen and improve, the management committee meeting will be conducted on separate days and a time will be allotted for the scheme members to express their views. NHB meeting will be conducted as Zonal meetings as before in four zones and issues relating to Hospitals will be discussed in detail and presented in the state council meetings.

MEDICAL STUDENT NETWORK (MSN)

This important activity will be taken up and all branches are requested to sensitise the students of modern medical college about the IMA and its objectives so that in future they will join in IMA. We will guide them for their future education and employment opportunities.

We whole heartedly thank Central Government and State Government for implementing vaccination for Covid Disease in large scale and for the steps they have taken to control the disease. IMA will be always with the Government for implementing such programs and activities.

Programs to concentrate on Diabetic Retinopathy and Diabetic foot is most important. Hypertension is yet another disease which is neglected by the public and we can create awareness to monitor blood pressure regularly. The ways and means how we can help the public in these types of Non Communicable Diseases is very much important and this program will be implemented along with Rotary International. State Secretary Message

Respected Seniors, Friends and Colleagues,

It is an honour for me and my branch to serve the members of Indian Medical Association Tamilnadu as your Honorary State Secretary. I would like to thank everybody once again for reposting your confidence and trust in me to handle the state affairs. A big salute to all those seniors and elders who have formed and nurtured this glorious association to a behemoth that it is today.

We are in a very important phase for our fraternity due to Covid and its aftermath and the very uncertain future, also the various government regulations that threaten the very existence of the purity of our system of medicine and running of small and medium hospitals. We, as a united force should be able to dictate our terms on how we can work with a free mind and unafraid to treat our patients, following the medical ethics. We have also planned to represent to the Govt on various issues that we have been facing and give them a time frame for implementing. I will keep you posted on all representations and discussions and results of the same as and when it happens. Please do inform the State office of any major issues on the Govt side.

We had the FSS, PPLSSS, Finance Standing Committee meeting and the Nursing Home Board meet in Vellore, organized by Vellore IMA branch. We had a lot of useful discussions in the FSS concerning how to take this programme forward. It was decided that we will ask our members to pay Rs. 20000/- for the ensuing year, so as to be prepared for the upcoming year. We had a discussion on various issues that all our members are

Hony. State Secretary

e.mail : drnrtime@gmail.com

facing today, and also how best we can deal, as it is a big learning curve for all of us.

We had also discussed on the various problems that our hospitals facing like Fire safety certification, BMW disposal, Solid waste disposal, Labour issues, Minimum Wages Act, status of our representations to the Govt bodies etc. We as a team follow-up and bring them to a logical end. I will keep you updated on that front as and when we have any discussions with the Government. In the Finance Standing Committee where I presented the finances and proposals for a State Office in the heart of Chennai with an easy access to not only for the Chennai city branches, but also for the rest of the branches from all over Tamilnadu. As I mentioned earlier, our deposits are earning only 5.1% interest, whereas the inflation rate is 6.8%, so we are losing value for money. Hence, we should look for another means of safeguarding our money. I would like to state that we have paid Nil tax over the past 2 years and will continue in the same for the following years as well. We discussed the need for a Tax consultant and an expert in the field to guide us in the issues of paying high tax in FSS and PPLSSS schemes, whether the money can be used in any way to benefit our own members.

As far as the scam is concerned, the Fact-Finding Committee has submitted the details to

the State Office, which I will circulate amongst our members in a nutshell. We will be looking forward to fix the responsibility and recover the money. The chargesheet has yet to be filed and a copy of the same would be available for us only after filing. We will follow it up at the highest priority. I'll keep you posted at the earliest on any developments. Please feel free to offer suggestions on any matters concerning our association and fraternity.

The Coimbatore IMA branch has set a benchmark for conducting of a State Conference with so much of enthusiasm and participation by the members. Thanks to the Chairman of the Organizing committee Dr. S. Karthik Prabhu, Dr. Rajesh Babu, the Organising Secretary and Dr. Vinod Kumar, Organising Treasurer. The team effort was very visible in the turnout and participation. The scientific sessions were commendable and laudable with very useful day to day topics for every medical Practitioner.

We will be attending the NATCON in Patna this week and many installation ceremonies in various branches in the next month.

The website of imatn.com will be updated soon and all the relevant information would be placed for the interest of the members and the society. One of the important duties of the branch is to improve the

membership, we should try all the means to improve the same. Also update the membership as and when any change happens. The Paramedical, CGP and the AMS wings have a mix of experience and wisdom of the seniors with the vigour and ideas of the young in taking all these wings to do even better. Branches are to organise the CGP, NHB, FSS, PPLSSS and NHB formation in your branches and support the State office in all the activities. Organise CGP sub faculties and sub chapters for AMS with an advice of the CGP and AMS State Office bearers and educate the development of modern medicine to the General Practitioners. Maintaining records at branches and the State office is very important. The records are to be maintained and to be handed over to the next team of office bearers, with proper endorsement. New office bearers are to be elected as per the constitution and the Bye Law of IMA and forward the list of office bearers as hard copy to the State office without fail by 31-01-2022. Any resolution passed in the branches pertaining the state matters may be intimated to the State office, so as to take action without waiting for State Council Meeting. We will soon have our own common by-laws to be adopted by the local branches, after due approval and will be circulated amongst the branches for registering each branch in their own area under the Societies Act and also asked to go in for a separate Pan card for tax purposes.

We request you all to conduct elections in your respective branches and forward the list of office bearers and also the state council members for updation. We request all to forward any suggestions for preparing the draft for the new constitution for our state branch so that we can circulate the draft along with the suggestions in our time before adoption of the same.

Wishing you all a Merry Christmas and a Happy and Prosperous New Year!

Yours in IMA service,

Dear Friends

First of all I would like to thank you all for electing me as IMA TNSB President Elect 2022 with great expectations. While assuring my whole hearted deeds towards the strengthening of our association, I want to make use of this opportunity to share my views and suggestions with you for the betterment of IMA.

Before that I congratulate and compliment the organizers of 76th TIMACON at Coimbatore for their painstaking, elaborate arrangements and their Kongu special hospitality.

Herewith I would like to place before you some of my proposals, which if meticulously executed will lead to the healthier management of IMA.

1. At this juncture I thank our President Dr.N.R.Palinisamy for bringing out the IMA calendar for the current year data scheduling the IMA events and programs. Now that we can prepare ourselves to participate in the said events and programs in a planned and convenient way.

2. Complete agenda of Schemes & wings of IMA TNSB as well as state council meetings shall be forwarded to the members, 10 days ahead of the schedule.

3. On receipt of such information relating to the meetings, all state council members and management committee members may be pleased to send their questionnaire within 5 days to the state secretary, who in turn shall forward the same to the concerned secretaries of the schemes and wings. The concerned secretaries shall prepare and present the answers to the said questionnaires in advance. The members who raised the questions are allowed to speak about the same. Later on the president may seek the opinion of the past presidents or other senior leaders to clear the issues raised by such members. This arrangement is expected to save the time on debates considerably.

4. Detailed minutes book shall be maintained appropriately for all committee meetings, in order to

**STATE
PRESIDENT
ELECT**

State President Elect 2022

Email: drpari.kvt@gmail.com

record discussions and decisions thereof. Even the dissenting members' views also shall be recorded in the said minute book.

5. The pros and cons of the existing SOPs for the schemes and wings shall be reviewed and if necessary new SOPs shall be framed. There shall be an internal audit committee which shall audit the accounts in accordance with reviewed SOPs.

6. Auditors of the schemes and wings of IMA TNSB shall be present during the internal audit and MCM.

7. Accounts shall be sent to FSC chairman at least 10 days prior to the scheduled Finance Standing Committee meetings.

8. In order to encourage the membership drive, I propose the introduction of honorary membership system whereby all registered allopathic medical practitioners, other than those who are already life members of IMA, can opt for honorary membership by subscribing a sum of Rs. 1000, with fewer privileges. The said honorary members shall only have the privileges to attend the CME programs, seminars and conferences of IMA. They can avail the IMA guest house facilities. In the event of them confronting any medico legal cases, IMA can help them by legally guiding them with appropriate fee structure. The said honorary members at any point of time can become life members of IMA, by paying the entire life time membership subscription less the 1000 rupees already paid by them. This will not only bring more doctors in the fold of IMA but also enhance the financial position of IMA State office

9. Finally I wish to propose that State President Elect 2, may be assigned with some responsibilities like New Membership Drive, co-ordination of committees other than FSC, constitution committees and election commission.

**Wish you and your family a Happy,
Healthy & Prosperous New Year!**

**Thanks for the patient reading,
will meet in the next issue.**

Yours lovingly

Dear All! Greetings from NHBIMA TNSB!

First, we'd like to thank all for giving us this opportunity to serve you all with this new responsibilities in NHBIMA TNSB. As we resume into this new office and take these challenging new responsibilities we dedicate ourselves to the uplift of all our member Hospitals whether it is small medium or big taking the priority as reducing the burden of our member Hospitals. Now this is obviously a substantial task and you may ask how we would be able to perform all these tasks? – As united.

At present the current scenario is very different. We want to address the following issues priority wise:

- Minimum wages, we will try to come to an end in our favour, talk to the relevant authorities and end the long standing problem.
- We all have a lot of issues with the Insurance Companies. Insurance companies and TPA demands of best standard of service at lowest cost.
- Revision of the rates is a very important one which will be attended and other issues will be resolved one by one.
- Stricter compliance of many Rules and Regulations by authorities. The next priority is to discuss fire safety measures and their issues with the fire safety department and we will find a solution accordingly. Lot of hospitals in our state are getting a lot of threat from illegal bodies and persons. Let's find a solution to this.

After getting CEA, how can we obtain a large number of licenses for different periods when few of them are meaningless and irrelevant? Some licenses may be revoked upon obtaining a CEA. We will try to create a single window system to make everything possible. There are issues in certain areas regarding the property tax and cost effectiveness of Nursing Homes - High Premium Price of Property.

Our NHB accreditation will be made into a valid one for all practical purposes. This is a big task and we have to negotiate a lot and lobby with the many agencies to get this.

Furthermore, we would like to create a tribunal in collaboration with the State Government to address the grievances that hospitals face which is a Himalayan task. We will try to fulfil it during our tenure.

We will shoulder with our parent organization IMA TNSB in all the issues pertaining to our member hospitals in general or particular and find a solution for it, as early as possible.

Collectively if we united we can do wonders. I wish and hope that NHB IMA TNSB reaches newer heights in future by efforts by dedicated office bearers and members, and achieves rightful glory.

Wishing you all a glorious new year 2022!

Long live IMA!! Jai Hind!

IMA TNSB PARAMEDICAL

Dear Members... Warm greetings!

We thank IMA-TNSB for electing us as office bearers to serve IMA. As we all know we are in need of more paramedical people to support our health system and day by day the need is increasing. Even now lot of our members does not know about the opportunity IMA gives to establish a Paramedical institution in their hospitals. So we should sensitize our members about the facility we offers. So we request all the branch Presidents and Secretaries to create awareness about the Paramedical wing to all the members of your branch.

Our main aim this year is to increase the number of institutions, number of students joining the course and also to develop new courses according to demand.

As of now there are 54 institutions in our state in which 836 students are studying and 8 courses are available.

We have formed a new email ID:

paramedicalwingimatnsb21@gmail.com.

Members who are having any doubts regarding the functioning of the wing and members who want to join new institutions in their hospitals please mail us. Thank you all.

Dear Doctors,

We wish you all a Merry Christmas, Hapday New Year & Happy Pongal.

We express our gratitude to the outgoing team headed by Dr. P. Ramakrishnan Sir, Dr. A.K. Ravikumar and Dr. N.R.T.R. Thiagarajan for the guidance and support.

Hearty congratulations to Dr. R. Palaniswamy - President, Dr. N.R.T.R. Thiagarajan - State Secretary, Dr. V.N. Alaga ventakesan - Finance Secretary and all the new team of office bearers. Wishing you all success throughout your tenure.

We appeal to the new energetic team and to all our colleagues to help us to accomplish our vision of crossing 10,000 members in FSS 1. Once we achieve our target we shall be able to support our deceased member's family without increasing AFC in future.

The last Management Committee Meeting (70th) held on 28.11.2021 at Vellore has approved to collect Rs.20,000/ for the next operational year (28th AFC) starting from 1st January 2022 covering 100 deaths (Rs.200/ per death)

The mission statement of FSS is to provide financial help to the families of the members in case of death. The basic philosophy is to care and share with transparency and sincerity. It is a very noble initiative.

During the earning phase everything is fine, but mishap and death can occur unpredictably at any time and will falter all plans. Young Doctors please do not overlook the family Security. Being a member of FSS will definitely support the financial needs of the family when such need arises.

FSS1: 26th due yet to pay-450, 27th due yet to pay-1450.

The 4th due of FSS2 is progressing well and 350 members yet to pay.

We request members who are yet to pay 26th & 27th due to kindly pay at the earliest.

Covid resurgence again upends daily life as holidays approach. We request all the IMA members below the age of 50 years to become members and spread the word to your colleagues. It's mutually beneficial and time tested in Pandemics like the current one, which may be a recurring feature in future.

With regards, Yours sincerely,

IMA, Tamilnadu.

அன்புள்ள மருத்துவ நண்பர்களுக்கு, நுகர் வோர் பாதுகாப்புச் சட்டம் 2019 இல் மருத்துவத் துறை முழுமையாக நீக்கப்பட்டு விட்டாலும், இன்னும் 'EXCLUSION LIST' இல் சேர்க்கப்படவில்லை என்பதால், இன்றுவரை பல வழக்கறிஞர் நோட்டீஸ்களை நாம் பெற்று வருகின் நோம். அத்துடன் பல தீர்ப்புக்களும் நமக்கு எதிராக வந்துக் கொண்டுள்ளன.

இந்த அவலத்தைப் போக்க முன்னாள் IMA-வின் தேசியத் தலைவரும், பத்மபூஷன் விருது பெற்றவருமான அமரர் கே.கே. அகர்வால் மற்றும் 30க்கும் மேற்பட்ட பத்மபூஷன் விருது பெற்ற மருத்துவர்கள் குழு, மருத்துவத் துறையை உடனே EXCLUSION LIST இல் சேர்க்கும்படி மாண்புமிகு பாரதப் பிரதமர் மோடி அவர்களுக்கு அனுப்பிய கடிதத்தைப் போல, நாம் ஒவ்வொருவரும் பிரதமர் மோடிக்கு கீழ்க்காணும் வேண்டுகோளை, பிரதமரின் EMAIL க்கோ அல்லது தபால் மூலமாகவோ அனுப்ப வேண்டுமென தங்களை தாழ்மையுடன் கேட்டுக்கொள்கிறேன்.

மருத்துவர்களுக்குப் போடப்பட்டுள்ள நுகர்வோர் பாதுகாப்புச் சட்டம் என்ற கைவிலங்கை உடைத்தெறிய நாம் ஒன்றுபட்டு உடனடியாக ஒவ்வொருவரும் இந்தக் கடிதத்துடன் அனுப்பப்பட்டுள்ள கோரிக்கை மனுவை பிரதமருக்கு உடனே அனுப்புங்கள். மருத்துவச் சமுதாயத்தை நுகர்வோர் பாதுகாப்புச் சட்டத்திலிருந்து காப்பது நம்முடைய கடமையாகும்.

Exclusion List இல் சேர்க்கப்படாமல் போய்விட்டால், District Forum ரூபாய் ஒரு கோடி, State Forum ரூபாய் பத்து கோடி வரையிலும், பத்துக் கோடிக்கு மேல் National Forum மும் CPA 2019 இன்படி, இழப்பீடு வழங்க உத்தரவிட அதிகாரமுள்ளதென்பதை உணர்ந்து நாம் செயல்பட வேண்டும். இதைத் தவிர்க்க ஒவ்வொரு மருத்துவரையும் இந்தப் புனித போராட்டத்தில் பங்குகொள்ளச் செய்ய வேண்டியதும் நம் ஒவ்வொருவருடைய கடமையாகும். Subject: Consensus Statement of Members of INDIAN MEDICAL ASSOCIATION TamilNadu State Branch doctors regarding “EXCLUSION” of medical professionals from the Consumer Protection Act 2019 (CPA) .

Respected Sir

The Consumer Protection Bill, 1986 was passed by both the Houses of Parliament and it received the assent of the President on 24th December 1986. It came on the Statutes Book as THE CONSUMER PROTECTION ACT, 1986 (68 of 1986). The Legislature while drafting the Bill, 1986 had specifically not included the services provided by the medical professionals in the term of services.

Accordingly, medical practitioners who belong to the medical profession are not covered under the Consumer Protection Act.

As per supreme court judgement in the case of “ Indian Medical Association versus V P Shantha , AIR 1996 SC 550 “ , Health care was included in CPA 1986 Act .

Consumer Protection Act, 2019: The Consumer Protection Bill, 2019 has been passed by both Houses of Parliament i.e. Lok Sabha (30th July 2019) and Rajya Sabha (6th August 2019). Thus, a new law on consumer protection has been enacted i.e. the Consumer Protection Act, 2019.

THE NEW ACT DOES NOT INCLUDED SERVICE RENDRED BY MEDICAL PROFESSIONALS.

SO NOW, IN THE NEW ACT OF 2019, THE TERMS “MEDICAL PROFESSION”, “HEALTHCARE”, “DOCTORS”, ETC .ARE NOT MENTIONED.

Legislative intent

Even though, the landmark precedents as laid down by the Hon'ble Supreme Court of India cover the medical profession/healthcare under the purview of Consumer Protection Act, the Legislature never intended to cover the services rendered by the medical professionals under Consumer Protection Act. It is also to mention that medical professional services are not covered under GST.

Appeal

Indian Medical Association Tamilnadu branch Doctors' requests you to intervene so that the medical professionals are included in the “ EXCLUSION “ list of the services under Consumer Protection Act.
