# STATE PRESIDENT MESSAGE

**Dr. P. RAMAKRISHNAN**

*State President, IMA TNSB*

Ph: 9842491919 ■ drramakrishnan45@gmail.com

## Dear esteemed members,

It gives me great pleasure to write you as your President and I hope you all had a joyous pongal festival.

At the time of this harvest festival in our country, The Government of India and our Tamilnadu government have launched the covid vaccination initiative, as yet another mighty fight against the covid pandemic.

I along with our national president and few other dignitaries got ourselves vaccinated at the Covid vaccine Inauguration program, that was held at Madurai on 16<sup>th</sup> January 2021, headed by our Honorable Chief minister, in the presence of our Hon'ble health minister and other ministers and dignitaries.

I urge all members to get themselves vaccinated voluntarily and set an example for our public. By doing so, the public will be motivated to get themselves vaccinated, as against the insecurity that is prevailing regarding the myths about the covid vaccine. Vaccination seems to be the way forward to acquire herd immunity against this virus.

I am sure that all the branches must be busy with the instillation of the new office bearers. I had an opportunity to attend the instillation ceremony of few branches and there are also plans to attend a few more in person. Along with our national president Dr. J.A. Jayalal, I attended the first, in person instillation, of office bearers at Salem, followed by Coimbatore. Their hospitality was overwhelming and I could witness their involvement in their respective branches.

I take this opportunity to congratulate Dr. Jayalal for assuming the highest office. His instillation ceremony at ITC, Chennai was a grand extravaganza.

Our honorable minister for health and family welfare, Dr. C. Vijayabaskar, along with our principal health secretary, Dr. J. Radhakrishnan graced the occasion and they promised all help from the government to IMA.

I attended the central council meeting also.

On the 9<sup>th</sup> & 10<sup>th</sup> of January ,2021, I was in New Delhi along with our secretary Dr. A.K. Ravikumar and we attended the state President and secretary meeting which was called for by our National President, which had useful deliberations. I thank the national IMA for bestowing Tamil Nadu with many awards this year.

On the 11<sup>th</sup> of January 2021, I attended a special meeting conducted by the DPH, that was called for, to discuss issues pertaining to covid vaccination.

On 28<sup>th</sup> December 2020, I participated in the high-level state committee meeting, that was conducted by our honorable Chief minister Mr. Edappadi Palanisami and shared our views on further action to be taken, regarding restrictions concerning the pandemic. The next day I participated in the CGP course coordinator meeting. I conveyed the concern of Tamil Nadu Medical council on the use of certain descriptions like degree/ diploma/ certificate and requested CGP to use appropriate terms instead.

We had a meeting with the Fact-Finding Committee (FFC) which has been conducting investigation into the variance of the accounts of the various schemes and also has been coordinating with police and Enforcement Directorate (ED). Myself and the members of the committee are genuinely worried about the delay in action and we are taking all the

necessary steps to speedup up the process.

As regards to our efforts in obtaining land for IMA headquarters, which was promised by our honorable health minister, the necessary steps have been initiated. The necessary documents have been submitted to the health minister and secretary in this regard. The health minister has been gracious to forward our request to appropriate departments for further action. We, the state office bearers met the health minister and other officers of the state, including DMS, DME and DPH in this regard. We are closely following up on this and the latest update is that the file has moved

Elections have been declared for PPLSSS and FSS and we promise you that the elections will be held in the best of tradition in a democratic way.

As the next step, in our fight against the myxopathy, the IMA headquarters has planned for a hunger strike through the entire month of February with a day's fast at the Headquarters. We have plans in place, to execute the same. Each zone will be given 7 days to conduct the relay hunger fast and I request the Vice-presidents of the respective zones to co-ordinate and conduct the same. For those members who are willing to participate in the hunger strike at Headquarters Delhi, can give their names to our Secretary Dr. A.K. Ravikumar.

I solicit all your co-operation and support for the same.

I look forward to a busy month of February and will keep you all updated about the activities in the next issue of the TIMA news magazine.

Wishing you all health and prosperity.

Long live IMA.

*Warmest Regards*

**Dr. P. Ramakrishnan**

## Dear Colleagues and Friends Greetings!

By the time you receive this message in TIMA you would have celebrated the Pongal festival in a grand way both in your family and also in your Branches My PONGAL greetings to all your Family members and Family of IMA. January is the time for new beginnings. We all have heralded the New year as the harbinger of hope and optimism.

In fact, the month of January named after the Janus, the Roman God of Doors, is believed to be the Avenue for good things to happen in the course of the year. It is in this month that you get a clean slate, a chance to reflect, relax and set new goals. These things are important to aim high for the whole year.

I sincerely hope and pray that the year 2021 stimulates our Association to grow from strength to strength besides fetching all round happiness to each and every one of us. I take this opportunity to reiterate that enhancing our Membership remains our top priority. All the Branches would have completed the election of office bearers and will be organising the Installation function in a grand manner.

The new President and new Secretaries will be having new ideas and schemes to revamp their Branches. My earnest requests to all my Colleagues is to concentrate on the following matters to strengthen our Association and to help

and guide our members whenever they need.

Election of New Office bearers and Installation function.

Purchase land and plan for construction of their own Hall.

Monthly CME programmes and credit hours from TNMC.

Sensitise Public on the burning issue 'MIXOPATHY'.

Try to get CEA certificate and clearance from BMW/PCB.

I have attended the following events.

Installation Function of IMA Tiruchirappalli virtually through ZOOM and felicitated the outgoing, incoming TEAM and our State President on 20<sup>th</sup> December 2020.

Attended 95<sup>th</sup> All India IMA Conference NATCON and Installation function of our National President at ITC Chola, Chennai on 27<sup>th</sup> and 28<sup>th</sup> December, well organised by our TEAM IMA TNSB.

Happily and enthusiastically participated in the grand function of my Home Branch Coimbatore on 3<sup>rd</sup> January 2021 and felicitated the office bearers.

Participated in Installation function of Tirupur IMA, a full day programme on 10<sup>th</sup> January, a grand function with good participation of family members.

**Unity our strength Long live IMA.**

## STATE FINANCE SECRETARY MESSAGE

**Dr. N.R.T.R. THIAGARAJAN**  
Cell: 98944 47717 ■ nrttheni@gmail.com

**Dear Seniors, Friends and Colleagues,**

We have a dream .... a dream of a strong united and vibrant IMA with a trade unionistic approach to various issues we're facing.

We the Practicing Dr's form the fulcrum or pivot around which the entire health care industry thrives, but we make the least.

Whereas those who depend on us like health insurance, pharmaceuticals ,medical equipment, hospital recurrent and disposable supplies ,and everyone around us are making more than us, though they depend on us.

The health insurance companies and TPA'S squeeze us and make their profits . We can think in terms of starting our own TPA and a feasibility study can be done to see the viability.

Creating Our own Biomedical Waste Management Facility in the lines of kerala IMA which has IMAGE, that is state of the art and does actual work not like the vendors here and the rest, most of which take money but do no work.

NABH a term which we have come to terms with and live with . We have so many NABH, NQAS and other standardization protocols and their inspectors in our IMA who can create a more practical standardization protocol which can be recognized by QCI and IRDA. we can create our own team for inspection and recognition for standardization and create our own Accreditation Board.

In this IT and virtual era a robust IT team is the need to reach out to the unreachd.

A dedicated Academic wing to help enrich our knowledge and keep us updated on the latest protocols on evolving techniques and drugs.

We can have online CME programs or MCI approved certificate or Fellowship programs or tie up with any Academics providing online medical education updates and reach out to our members.

Creating a medical Amazon for connecting the manufacturer to us, the end users where cartelisation can be avoided and we can get our equipment, supplies and utilities in transparent, reduced and reasonable rates.

And the main project of our President for this year, is getting our own IMA State Office Building in the heart of the State Capital. We've been promised land in guindy by our Honourable Health Minister. Our team under the Leadership of our State President is doing sincere work and moving papers to make it a reality. Being part of our IMA state office please do propose new projects and ways of implementing them too. Concerning the finances we will be submitting a detailed audited financial report from jan 1st 2020 to dec 31st 2020 in the next time . A detailed income expenditure sheet for last year. Extending a warm welcome to serving our fraternity and glorious association. We need to show what a dedicated and united team can do.

***Yours in IMA service***

## National **GIRL CHILD** Day-2021

**Dr. Narmada S**

*Secretary, IMA Women Doctors Wing, TNSB*

Every year from 2008, India has been celebrating the National girl child day on 24<sup>th</sup> of January. There are two questions that arise in our minds when we see this date. Is it just another important day to be celebrated? If so, International day for girl child is already being celebrated in the month of October then why a separate day in India? Also, what is the significance of choosing this date?

Indian girl children are facing unique problems different from the other countries which includes female foeticide, gang rapes, honor killings, discrepancy in education levels etc. The problems are from womb to tomb and hence it is essential that we have a separate day for them. 24<sup>th</sup> January happens to be the date when our Late Mrs. Indira Gandhi took over the reigns of the nation. Being the first lady to take the much-coveted office it is apt that this day is observed as national girl child day.

The next comes the most important question in our mind - why it is necessary to have such a day? Given that women are given importance in society with the rules being framed for their needs, the legal system giving protection to them in terms of property with special privileges for them in colleges and educational system too, what is the need to observe this special day? We also recently saw that the first commercial flight over the longest distance from San Fransico to Bangalore being flown by a complete women crew from our own motherland. Yet is it necessary to highlight the

importance of saving the girl child?

Yes, the very sad part is even with so many privileges given to our girls yet they still are facing the worst of challenges. Even today as we read the articles it is depressing to see that a 13 year old girl was repeatedly raped by not one but 9 of the truck drivers in Uttarpradesh in a highway frequented by the public. Not this one incident, the kathua rape case where an 8 year old was inhumanly raped and killed by many including a police official, the innumerable honour killings happening among our society, the inhuman nature of the people to insert iron rods into her inner parts brings to light the reason why we need this day. The increasing female foeticide inspite of stringent laws and regulations which has brought the male female sex ratio to an abysmal number of 927 to 1000 also reminds the grim scenario when a girl child is destroyed even in her womb. Why would she come into a society that brutalizes her, judges her by the dresses she wears, denies her the education and empowerment she richly deserves, pushes her into dark ages and makes her voice to be drowned in the name of tradition and family norms.

Of course, we as doctors do not see this dark side of the society. We do cherish our

daughters, we allow them to spread their wings and proud at their success. So do we need to really worry? If anyone of us can have a yes to the following questions then probably we don't need to observe this day.

### The questions are -

1. Will you send your daughter alone after 8pm anywhere?
2. Will you be comfortable if she is in a profession to travel alone during odd hours to odd places - like say for night duties to hospitals without an escort?
3. Will you relax when she goes around on her own with her friends wearing her favourite choice of dresses?
4. Will you be comfortable if she chooses not to be the one to take the lead in household chores and allow her partner to do the same?
5. Will you come out openly to complain to the law about enquiries into female sex determination even though you do not do it?
6. Will you complain and stand by when you come across a sexual abuse in your OPD?

Till the answers to any one of the above questions is a yes, we will need to observe the national girl child day as an association and like all major changes in the society being brought out by the best of society - ***we need to be the change and ensure that we change the society.***

This year let us promise to be the change and start to protect our girl children to save generations to come. ■

Large parts of Europe are in a second lockdown as a new wave of infection sweeps through the continent. Cases in the US are smashing new records. But overall numbers in India are falling — for reasons not yet fully clear. What is the way forward, given the cost of lockdowns? When a new pathogen enters a territory where nobody has any immunity, it can cause devastation. As soon as some immunity builds up in a population, our relationship with the pathogen changes. Typically, immunity keeps the risk very low. A good recent example is of the Zika virus: it came to Brazil, there was a spate of microcephaly, and now there's widespread population immunity — this doesn't mean Zika has disappeared, but the risk is low.

Developed countries like the UK, the costs of lockdown are profound, but at least the option of shielding the vulnerable is a realistic one. In India it's not the same, the reality of the situation is much different. The huge cost of a lockdown and it's effect of sending 130 million people into starvation around the world is something profoundly hard to contemplate. The alternate reality in our nation is herd immunity, there are studies where it suggests that nearly 60-70% of the population have developed antibodies against Covid-19 in particular localities in India. These are areas where people have been recently exposed, and it has overshot the level required for herd immunity. This trend in India is suspected because of continuous exposure to coronaviruses,

people have more residual immunity from cross-immunity which means immunity developed from another coronavirus would help protect against the new coronavirus.

All this doesn't mean everything is good, it is a known fact that antibodies decay in time in our body and we know that not everybody makes antibodies. We must be vigilant and precocious as before, Indian government may not bring back complete lockdowns but we should protect our practice by not letting our guard down and follow proper Covid-19 related standard of practice adapted until a proper solution such as the vaccine comes into full public domain. The careful planning and distribution plans for the vaccine planned by our Government should succeed. The encouragement and willingness to invest in local vaccine developers have boosted Indian moral and also have made availability of the vaccine that much easier. The modifications made in our practices should not be abandoned completely as these changes have improved the quality and standard of care provided.

## REPORT FOR THE MONTH OF JAN 2021

The IMA AMS TNSB would like to wish everyone Happy and Prosperous Happy New Year 2021

There was a marvelous start for the AMS wing as it organized the first event for Jan 2021 and this meeting had the privilege of having IMA luminaries for the inauguration of our webinar.

Prof J A Jayalal, National President, IMA Headquarters gave the inaugural address. He suggested that there has to be:

- Digital library of all the talks and scientific content so that there could be repository for the resident doctors and IMA members to access them 24 / 7
- Annals of AMS wing to be made more accessible and to be brought out regularly and would try to get ISBN number - indexing of the journal
- There has to be more AMS wings at local branches level

Dr Jayesh Lele, HSG IMA HQ felicitated. Dr P Ramakrishnan, President IMA TNSB presided and he had also endorsed the sentiments of National President. He also suggested to increase the membership and to establish more AMS wings at local level. Dr C N Raja, Immediate Past President, IMA TNSB and Vice President, National IMA HQ and Dr Ravikumar, Hon. Secretary, IMA TNSB addressed. Dr Ashraf, Former IMA AMS former Chairman HQ, Dr Sree Hari Rao, IMA AMS Chairman HQ, and Dr Sanjeev Singh Yadav, IMA AMS Secretary HQ participated.

The speakers for the day were Dr Vanitha and Dr Sangeeth, Faculty from the Dept of Pediatrics, Madurai Medical College and spoke on diagnosis and treatment of Childhood Tuberculosis and Moderated by Dr Mahalingam, Senior Pediatrician and Vice President, Madurai IMA. There were about 100 delegates including pediatricians attending the meet. Next month meeting would deal with common dermatological issues. ■

# FAMILY SECURITY SCHEME OF IMA TNSB

**Dr. C. THANGAMUTHU, FSS CHAIRMAN**

Cell: 94430 22328 sailootmuthu@gmail.com

**Dear Dear colleagues of IMA TNSB and brothers and sisters of FSS, Warm greetings to you all and wishing you all the best for a Happy New Year, Happy Pongal and Happy Republic day!**

First of all we congratulate Dr. J.A. Jayalal for assuming the Office of National

President of our Indian Medical Association and Dr. C.N. Raja for becoming National Vice – President Elect 2021; also all our IMA TNSB members who have received awards from National Hqs of our IMA.

We express our gratitude to all about 1,500 of our members who have understood the extraordinary situation caused by the killer Covid-19 virus (which carried away the life of about 30 of our beloved members in 2020) and paid the 26<sup>th</sup> premium of Rs.20,000/-. Assessment for the year 2020 of 25<sup>th</sup> premium is about 130 DFCs. As you all know the FSS runs on the principle of mutual benefit i.e. members contribute to the bereaved family our demised colleague and all the members contribute to our family when we are not there. In this year of covid-19 pandemic, we should help our colleague's family right earnestly with benevolent, brotherly attitude.

We have extended the NRD amount concession to be paid by the newly joining members to January 2021. So, for those joining FSS in Jan 2021, even though they have to pay Rs. 20,000/- as AFC, they can avail the reduction in NRD amount payable. We request the IMA members to join the scheme in January itself since the total amount payable by them will be less than the amount payable afterwards. We request all the members to verify their smart cell phone numbers with the FSS office so that the members can cast their vote in the forth coming FSS election without any difficulty. We request the members to register their e-mail id also so that we can send communications easily and quickly. Please remember the future world will be a virtual world. We have to prepare ourselves for it We received many suggestions for overcoming the present abnormal increase in DFCs of the scheme. We also received from many members about the increasing AFC premium. They are taken note of and will be placed before the forthcoming Management Committee Meeting for discussion and decision.

*Our motto remains:*

**JOIN FSS – SECURE YOUR FAMILY  
– FEEL FREE TO PRACTICE.**

## FAMILY SECURITY SCHEME OF IMA TNSB

**Dr.K.SOUNDARARAJAN**

**FSS TREASURER**

Cell: 9786198333  
drksoundararajan@gmail.com

### Dear Colleagues, Warm Greetings from FSS of IMA TNSB.

The year 2020 has come to an end at last but its aftershock are being felt in every sphere of our life.

The 25<sup>th</sup> due collection of FSS I is almost complete, but about 140 members are yet to pay and we are making every possible effort to reach out to these members requesting them to pay at the earliest so that the painful decision to delete them is avoided.

The 26<sup>th</sup> due collection is going on robustly and we have received AFC from 1450 members till date.

This unique scheme, for the Doctors by the Doctors, runs on the basic principle of collecting as much as is given and in the year 2020 we have given death claims to 119 deceased members families which is a huge 49 more than had been collected.

As many as 25 covid related deaths could be the major attributable cause. Hence the decision for early collection of the 26<sup>th</sup> due premium of Rs.20,000/- (For 100 Deaths)

The increasing Death claim trend in the past few years is to be correlated with the ageing of our members; but newer

members in younger age group joining our scheme will offset this trend in the near future. Thus for the scheme to be robust, we need constant growth.

Our scheme scores over others in ease of joining, no Medical examination and quick and timely payment of claim amount.

Till date, since inception, FSS I has distributed more than Rs. 125 Crores to 833 deceased members families, which indeed gives us immense satisfaction of helping our colleagues families, especially in these unexpected, difficult times. In FSS II the 3<sup>rd</sup> due collection is going on well and we have yet to receive collection from only 130 members with 6 more months to go.

Hoping and praying that year 2021 is more Healthy, Safe and Joyful. Looking forward to your continued support and constructive suggestions and guidance.

**‘Stay Together - Stay Positive  
- This too will Pass’**

Thanking You!

Yours in IMA service

## அன்புள்ள மருத்துவ நண்பர்களுக்கு,

நுகர்வோர் பாதுகாப்புச் சட்டத்திலிருந்து மத்திய அரசு நமக்கு விடுதலை கொடுத்துவிட்டது என்றாலும், Exclusion List-ல் வரவில்லை என்ற ஒரு காரணத்தினால், இன்னும் அது செயல்பாட்டுக்கு வராமல் உள்ளது நமக்கெல்லாம் வேதனையளிக்கிறது. மருத்துவ துறை Exclusion List-ல் சேர்க்கும் அகில இந்திய மருத்துவச் சங்கத்தின் தலைவர், நம் மருத்துவர் ஜெயலால் அவர்கள் கடும் முயற்சி எடுத்து வருகிறார் என்பதால், கூடிய விரைவில் மருத்துவ துறை Exclusion List-ல் சேர்க்கப்படும், நமக்கெல்லாம் விடிவு பிறக்குமென உறுதியாக நம்பலாம்.

கொன்ற இதழில் உங்களை நான் 16-12-2020 தேதியிட்ட கடிதத்தில் சந்தித்தேன். 16-12-2020 முதல் 15-01-2021 வரை பெறப்பட்ட வழக்கறிஞர் நோட்டீஸ்கள் மற்றும் வழக்குமன்ற நோட்டீஸ்களின் எண்ணிக்கை மட்டும் பத்து ஆகும். அதில் மிக முக்கியமான இரண்டு வழக்கறிஞர் நோட்டீஸ்களைப் பற்றி மட்டுமே உங்களுடன் பகிர்ந்துகொள்ள விரும்புகிறேன்.

1. சாலை விபத்தால் பாதிக்கப்பட்ட ஒன்பது வயது சிறுவனுக்கு இடது கையில் இரண்டு எலும்புகளும் முறிவற்ற நிலையில், சிகிச்சைக்காக மேற்கு மண்டலத்தைச் சார்ந்த ஒரு மருத்துவமனைக்கு எடுத்துவரப்பட்டார். அந்தச் சிறுவனுக்குத் தலையில் அடிபட்டுள்ளது எனக் கூறப்பட்டதால், எல்லா பரிசோதனைகளும் செய்யப்பட்டபோது தலைக்கு CT Scan -ம் எடுக்கப்பட்டது. அந்த ஸ்கேனில் எந்த வகையான எலும்பு முறிவோ, மூளைப்பகுதியில் இரத்தக் கசிவோ இருப்பது கண்டறியப்படவில்லை என்பதால், அன்றே சிறுவனின் பெற்றோரிடமிருந்து எழுத்துப்பூர்வமான சம்மதத்தைப் பெற்றவுடன் மயக்க மருந்து நிபுணரும் சிறுவனை முழுமையாகப் பரிசோதித்து ஒப்புதல் அளித்த பின்பே அன்றே Brachial Plexus Block செய்யப்பட்டது. இடது கை எலும்புகள் முறிவிற்கான அறுவைச் சிகிச்சை செய்யத் துவங்கப்பட்டது.

அறுவைச் சிகிச்சை முடியும் தருவாயில் சிறுவனுக்கு Abnormal movements ஏற்பட்டதுடன், அவருடைய சுயநினைவும் மாறத்

தொடங்கியது. அவருக்கு வலிப்பு ஏற்படலாம் எனக் கருதியதால் உடனடியாக E.T. Tube போடப்பட்டதுடன், Physician ஆலோசனைப்படி Anti cerebral edema சிகிச்சை தொடங்கப்பட்டு, உடனடியாக அவர் Emergency Care Hospital-க்கு அனுப்பப்பட்டார். அங்கு எடுக்கப்பட்ட CT Scan -ல் 'Subdural haemorrhage and tentorial bleed' இருப்பது கண்டறியப்பட்டது. உடனடியாக அந்தச் சிறுவனை எல்லா வசதிகளும் அடங்கிய பெரிய நகரத்தில் உள்ள பெரிய மருத்துவமனைக்கு எடுத்துச் சென்றபோது உடனடியாக அங்கும் CT Scan எடுக்கப்பட்டு 'Thin SDH along the posterior interhemispheric fissure' என மூளைப்பகுதியில் சிறிய பாதிப்புள்ளது கண்டறியப்பட்டு, குழந்தைகள் நலப் பிரிவிற்கு மாற்றப்பட்டு உரிய சிகிச்சையளிக்கப்பட்டது.

நல்ல நிலையில் 7 நாட்கள் கழித்து வீட்டிற்கு அனுப்பப்பட்ட பின்பும், சிறுவனுக்கு Dystonic movements அதிகமானதால் தற்போது திருவனந்தபுரத்திற்கு மேல் சிகிச்சைக்காக அனுப்பி வைக்கப்பட்டுள்ளார். இந்தச் சூழ்நிலையில் சிறுவனின் பெற்றோர் அறுவைச் சிகிச்சையின்போது, அதிக அளவில் மயக்க மருந்து கொடுத்துவிட்டதால்தான் தங்கள் மகனுக்கு இதுபோன்ற ஒரு நிலை ஏற்பட்டது எனக் கூறி 80 இலட்சம் ரூபாயை நஷ்ட ஈடாகக் கேட்டு, ஒரு வழக்கறிஞர் நோட்டீஸை அனுப்பியுள்ளார்.

சிறுவனுக்கு ஏற்பட்ட பாதிப்புகளுக்கு கை எலும்பு முறிவிற்காக Brachial Plexus block கொடுத்து எலும்பு முறிவிற்குச் சிகிச்சையளித்த அறுவைச் சிகிச்சை நிபுணரும், மயக்க மருந்து நிபுணரும் காரணமா? அல்லது தலையில் ஏற்பட்ட அடியால் தாமதமாக ஏற்பட்டு கண்டறியப்பட்ட 'Subdural haemorrhage and tentorial bleed' காரணமா?

2. ஒரு தாய்க்கு மேற்கு மண்டலத்தைச் சார்ந்த ஒரு மருத்துவமனையில் சிசேயின் அறுவைச் சிகிச்சை செய்யப்பட்டுள்ளது. அந்தத் தாயின் இரத்த வகை O+ எனக் கண்டறியப்பட்டது. சில காரணங்களால் 34-வது வாரத்திலேயே LSCS செய்யப்பட்டதால் குழந்தையும், தாயும் எல்லா வசதிகளும் அடங்கிய வேறு ஒரு குழந்தைகள் நல மருத்துவமனைக்கு அனுப்பி வைக்கப்பட்டனர். குழந்தை மிகவும் நலிவற்று இருந்ததாலும்,

அனிமியா என்ற நிலையும் இருந்ததாலும் பரிசோதனைகளின்படி Sepsis என Diagnosis செய்து உரிய சிகிச்சையளித்ததால் குழந்தையின் நிலையில் முன்னேற்றம் ஏற்பட்டு தாயும், குழந்தையும் 7-ம் நாள் டிஸ்சார்ச் செய்யப்பட்டார்கள். தாய் அதன்பின் இரு முறை கருவுற்றும், கருச்சிதைவுகள் ஏற்பட்டதால் அவர் மூன்றாம் முறை கருவுற்றதும், தன் குழந்தைக்குச் சிகிச்சையளித்த அந்தப் பெரிய மருத்துவமனைக்கே சிகிச்சைக்காகச் செல்கிறார். அந்த மருத்துவமனையில் அவருக்கு எல்லா பரிசோதனைகளும் செய்யப்பட்டபோது தன்னுடைய இரத்த வகை O Negative எனக் கண்டறிகிறார். தற்போது நான்கு ஆண்டுகள் கழித்து தன்னுடைய இரத்த வகையை O Negative எனக் கண்டறிவதற்கு முதலிலேயே கண்டறிந்து Anti D Injection கொடுத்திருந்ததால் தன்னுடைய முதல் குழந்தை அடிக்கொரு தரம் நலிவற்றிருக்காது, அனிமியாவிற்காக பல முறை குழந்தைக்கு இரத்தம் செலுத்தப்பட வேண்டிய நிலை ஏற்பட்டிருக்காது தனக்கு இரண்டு கருச்சிதைவுகள் ஏற்பட்டிருக்காது எனக் கூறி பல இலட்சம் ரூபாய்களை தற்போது நஷ்ட ஈடாகக் கேட்டு முதல் மருத்துவமனைக்கு ஒரு வழக்கறிஞர் நோட்டீஸை அனுப்பியுள்ளார். தன் குழந்தையையும், தன்னையும் உள்ளரையாளியாகச் சேர்த்து குழந்தைக்கு மட்டுமே சிகிச்சையளித்த இரண்டாம் பெரிய மருத்துவமனை குழந்தையுடன் இருந்ததாயான தன்னுடைய இரத்தத்தை பரிசோதித்து, தன்னுடைய இரத்த வகை O Negative எனக் கண்டறியாத குற்றத்திற்காக பல இலட்சம் ரூபாய்களை நஷ்ட ஈடாக வழங்க வேண்டுமென குழந்தைக்குச் சிகிச்சையளித்த இரண்டாம் மருத்துவமனைக்கும் வழக்கறிஞர் நோட்டீஸை அந்தத் தாய் அனுப்பியுள்ளார்.

முதல் மருத்துவமனை தவறு செய்ததா? இரண்டாம் மருத்துவமனை தவறு செய்ததா? அல்லது இரண்டு மருத்துவமனைகளும் தவறு செய்தனவா? அல்லது இரண்டு மருத்துவமனைகளும் தவறு செய்யவில்லையா?

தீர்ப்பை நீங்கள் கூறுங்கள்!

தங்கள் அன்புள்ள  
மருத்துவர் கே. தங்கமுத்து

**Respected Senior IMA leaders and my Dear Friends,**

I wish you all a very prosperous New Year – 2021 and happy Pongal. I pray God that the running year 2021 should be a covid - free year as well as litigation - free year for all the IMA doctors.

Last year, litigation among the doctors were found higher in number and proper reply and immediate actions were taken by our PPLSSS Chairman Dr.Thangamuthu and our authorized PPLSSS lawyer. I am satisfied to say that we have won in more number of cases.

Once again I proudly say that PPLSS Scheme is for the doctors, by the doctors, and of the doctors.

My humble request is that new IMA members and all the young doctors should join this novel scheme. I am sorry to say that, doctors are joining the PPLSS Scheme only after getting the lawyer notice. It should be avoided. The only solution is to join the PPLSS Scheme as early as possible for your safer side.

Our PPLSSS team has decided to conduct Medico Legal Workshop at the district level with the abled guidance of our chairman Dr.Thangamuthu. The date and the venue will be announced later.

**‘JOIN PPLSSS TO FREE FROM LITIGATION’**

THANK YOU.

**- Dr.S.Nehru MS., DO., Secretary PPLSSS**
